### »HIGHLY INNOVATIVE & VALUE DRIVEN«

#### Josef Zotter was awarded the Walter Scheel Medal in Bonn.

**Jury award justification:** »Josef ZOTTER – Zotter Chocolate Manufactory, Riegersburg – has been awarded the 13th annual Walter Scheel Medal to honour his exceptional contribution to the development of our great European chocolate culture. Josef Zotter is a true paragon of a business owner: innovative, determined and persistent and at the same time modest and down-to-earth. He is one of the world's best chocolate producers and shows that competence and top artisanal product quality are not synonymous with an elitist approach and that fairness and sustainability can be much more than just marketing speak. With his highly innovative product range, his "bean to bar" processes and exclusively organic and fair trade produce, Josef Zotter impressively demonstrates how successful ethical business practices can become in the 21st century. His creations, meanwhile, keep scoring top marks in international competitions.«

This puts Zotter in the illustrious company of previous honourees, among them the Haeberlin family of restaurateurs from Illhaeusern in Alsace, Italian star vintner Angelo Gaja, British wine critic Hugh Johnson, legendary Chef of the Century Eckart Witzigmann, glassware manufacturer Georg J. Riedel, champagne titan Pierre-Emmanuel Taittinger, oyster farmers Gillardeau and Grappa pioneer Giannola Nonino.

And we're off into a sweet spring  
with creations by Josef and Julia Zotter

# Passion & Freedom

The spark of inspiration has travelled from Dad Josef to daughter Julia – loosely based on Michelangelo.

Top-quality cocoa, processed bean-to-bar, is the basis for all innovation.

Zotter has counted among the most creative international chocolatiers for a long time. Requests from big players in the chocolate business trickle in on a regular basis to observe product development, get inspired and discover the secret behind Zotter's innovation. It's really easy: Julia and Josef Zotter are creative and free enough to put their ideas into practice, which of course is made easier by running a family business. The basis is always top-quality cocoa. It has many different flavour elements which can be combined, like nuts, caramel notes, dried fruit or citrus – around 600 different aromas. This is how flavour is created. However, our sense of smell is much better developed than our sense of taste. We can only taste sweet, salty, sour, bitter and umami, the latest of the basic established tastes, which reacts to glutamate and hearty, intense and savoury or meaty flavours. Our formulas aim at playing with all those 5 basic tastes. Nothing should have just a sweet or only a bitter flavour. The balance is essential! Julia and Josef Zotter can conjure up flavour with their minds, and that's how cinnamon, praline and orange blend to produce a delicious composition. This can be compared to an artist's process, who holds a finished piece in their heads even before writing down a note or applying a single brush stroke.

Josef Zotter will be celebrating his 60th birthday soon and admits to being a bit less creative than during his younger years, mainly because his wealth of experience is sometimes an obstacle, and there is nothing left to prove. So most of this is now Julia Zotter's responsibility, whose finger is on the pulse of time and whose unrestrained spirit turns almost every creative idea into reality. They are the perfect team. Josef Zotter's experience and endless recipe repertoire and Julia's constant creative input and willingness to try new things drive Zotter's variety and creativity.

Josef and Julia Zotter can conjure up flavour with their minds. New flavours are developed in theory and are then realised by hand.

**BEAN  
to BAR**

### 100 % ORGANIC + FAIR + BEAN-TO-BAR

Our entire business is Fair Trade verified. We are a member of WFTO – the World Fair Trade Organization, which is the umbrella organization for global fair trade. The WFTO monitors business compliance with the 10 principles of fair trade like transparency, respect for the environment, the payment of fair prices and no use of child labour among others.

For more on this, go to [www.zotter.at/fair-trade](http://www.zotter.at/fair-trade) and [www.wfto.com](http://www.wfto.com)

100% BEAN-TO-BAR: Zotter chocolates are produced starting from the bean in our bean-to-bar chocolate factory.

All the ingredients for the chocolate come from ORGANIC cultivation. The number of the organic board of control serves as identifying information. ORGANIC control number: AT-BIO-402

The protection of the environment is a very important aspect of our corporate philosophy. Our environmental protection and our environmental measures are ISO 14001 and EMAS certified. EMAS-certified companies are recorded in a Europe-wide register and are regularly checked and monitored on a national level by environmental experts approved by the environment department. You can find our environmental declaration in German online at [www.zotter.at](http://www.zotter.at)

#### Organic Plastic

If possible, we try to use organic plastic as much as possible: it is derived from renewable materials, is biodegradable and even compostable according to European Standard 13432.

#### Design

Designed by Andreas H. Grätze

We use certified paper without glossy coating and environmentally friendly colours for the packaging.

#### Organic Soy Lecithin

Zotter uses lecithin exclusively from controlled organic cultivation. Organic soy lecithin is guaranteed free from genetic engineering and protects the environment because no rainforests are cleared for its cultivation.

#### Storage Advice

**We do not use any artificial stabilizers or preservatives.** For this reason, our goods are more temperature sensitive than other high-quality chocolate products. **Ideally you should store Zotter chocolates in a cool and dry place where the temperature is between 16 °C and 18 °C.**

You should not put the chocolates into a fridge. This way they would lose their substance because the humidity would let the sugar crystallise. If the temperature is too high, though, it will result in the emission of cocoa butter which will settle as a white film on the surface of the chocolate. The loss of the cocoa butter will dry out the chocolate – hence, the flavour of the chocolate will suffer.

Easter Magic from Egg Liqueur to Strawberry. Bonbons and chocolate bars bring out the Easter Bunny in all of us with their seasonal fillings and bright colours, derived purely from their natural fruit content.

# Hand-scooped Chocolates

70 g bar  
Shelf life: 5 months from production date

**NEW FLAVOUR** **EASTER BUNNIES EVERYWHERE?**  
*Amarena Cherry*

**ART. NO. 16293**

In an Amarena-Macarena mood: a fruity Amarena cherry filling with little chunks of Amarena cherries that we've let steep for a while at our own pastry kitchen. All of this deliciousness is enhanced with a cherry couverture, a bit of marzipan and genuine vanilla and covered in a lovely milk chocolate with 50% cocoa power.

**NEW** **EGGNOG »OSTRICH EGG«**

**ART. NO. 16498**

The ostriches running around our Edible Zoo produce the giant, dinosaur-like ostrich eggs we use to create our delicious eggnog flowing into a white chocolate ganache enhanced with almond praline. Sublime flavour made even better with genuine vanilla, which comes in at a close second only to saffron in the ranking of the most expensive spices in the world, due to the orchid petals being pollinated by hand. All of this is covered in milk chocolate with a 50% cocoa content.

**STRAWBERRY BUNNY**

**ART. NO. 16491**

**Strawberry Yoghurt Cream**

Pink Easter dream: with a fruity, pink centre made from strawberries and an airy yoghurt couverture, that stunning colour and very berry flavour derived entirely from fruit. It's enveloped in a white yoghurt couverture with a milky and pleasantly tangy, happy flavour.

**CHEEKY BUNNIES**

**ART. NO. 16363**

**Praline + Cookies** *contains gluten*

Crispy cookie chocolate: a milk chocolate with a 50% cocoa content, filled with a tender-melting praline created from a combination of two types of almonds, plain and caramelised, plus some hazelnuts. Topped with a layer of crunchy almond cookies.

**EASTER CHOCOLATE**

**ART. NO. 16495**

**Coconut + Marzipan**

For snackers big and small: a fine almond marzipan, combined with a crispy coconut praline layer with roasted coconut flakes. Enveloped in dark chocolate with a 70% cocoa content. A sweet and completely vegan creation!

**HAPPY EASTER**  
**Very Berry**

Berry springtime: blueberries, raspberries and redcurrants melt together to an explosive fruit ganache, in which candied cranberries swirl around. This extremely fruity filling shines through the white chocolate coating.

**ART. NO. 16294**

**EASTER TOFFEE**  
**Coffee Toffee**

An exciting interplay of aromas between caramel and coffee for lively bunnies. A fine layer of caramel on almond praline, coated in coffee couverture, which develops this brilliant coffee drive because the fair trade arabica coffee beans are turned directly into coffee choco bean-to-bar.

**ART. NO. 16389**

**FRUITY BUNNIES**  
**Apricot Waltz**

A fruity apricot layer, enhanced with apricot brandy, gently sitting on a layer of marzipan, seasoned with a generous dash of apricot brandy and of course some pure apricots. A bit of a boozy mixture that's sweetly seductive.

**ART. NO. 16431**

alc.

**Raspberry Coconut**

An Easter chocolate for fans of dreamy-fruity flavours. It's a blend of raspberry chocolate and whole raspberries, coconut flakes and notes of genuine vanilla, enveloped in a milk chocolate-enhanced coconut chocolate with a hint of the Caribbean.

**ART. NO. 16494**

**EGG DANCE**  
**Egg Liqueur**

The white chocolate and almond praline ganache is buzzing with egg liqueur. Nobly refined with real vanilla, which is the second most expensive spice in the world after saffron, because the orchid blossom is pollinated by hand. Wrapped in a milk chocolate with a cocoa content of 50%.

**ART. NO. 16292**

alc.

**DEAR EASTER BEAR**  
**Honey Crunch**

The Easter bear loves honey just like little kids do. Lots of sweet honey flakes buzz around in a white chocolate and almond mousse covered with delicious white chocolate.

**ART. NO. 16493**

**EASTER TASTE PARADE**  
**Nut Delight**

The crescendo of nut aromas. Finely ground and roasted hazelnuts, stirred in dark chocolate, mixed with roughly chopped almonds and refined with cinnamon, dive into a breath-taking dark milk chocolate with an astonishing cocoa content of 60% that melts in the mouth.

**ART. NO. 16295**

**EASTER NEST**  
**White Chocolate with Brittle**

Crunchy-sweet classic: white chocolate with lots of valuable cocoa butter, mountain milk and raw cane sugar as coating and a creamy filling of crunchy hazelnut and almond brittle puts appreciative smiles not only onto children's faces.

**ART. NO. 16296**

**BUNNY IN EASTERLAND**  
**Praline Layers**

When nuts melt. A dark chocolate filled with three different types of praline: one layer of hazelnut praline topped by a green pumpkin seed praline and crowned by a tender-melting walnut praline. This nutty classic is completely vegan.

**ART. NO. 16390**

**BUNNY GRASS**  
**Hemp Bonbon**

The power pack: hemp praline with caramelised hemp seeds full of energy. On top sits a thin layer of white coconut couverture and it's enveloped by dark chocolate with a 70% cocoa content. Entirely vegan and entirely delicious!
